

DIGGER'S WARNINGS

- **HOURS OF THE DOG PARK MAY BE ALTERED**
 - **Use the park based on the safety and health of yourself and your dogs**
 - **PARK AT YOUR OWN RISK** in dog park adjacent parking area
 - **Have a contingency plan for your personal needs and needs of your dog**
-
- **Dog Park patrons using any alternate Metropark parking** should exercise caution. Heavy machinery and construction vehicles will be in use in the area
 - **Keep dogs on 6' or shorter lead length** between parking areas and until inside dog park
 - **Only use marked crosswalk on Valley View Drive.** Be vigilant of traffic. "HEEL" your dogs
 - During construction work hours; When arriving or departing dog park entrance drive, **pedestrians must wait for construction personnel** to signal passage through the construction area
 - **Expect delays as you arrive and depart at the driveway entrance.** There will be an open trench, rough terrain and metal street plates
 - **AVOID WEARING sandals, flip flops, open toed shoes, or soft soled shoes. This is a construction site.** There will be construction debris and possible hazards
 - **Debris, flying dirt, dust, stones, other hazards and loud machinery noises WILL occur**
